3. **Progress since July TWG meeting:** Update paper was discussed and the following agreed:
 - Ensuring full delivery of Frith End/Blacknest traffic calming scheme remains our top priority.
 - Harriet will share details of Waverley Green Spaces contact for School Rd hedge-cutting.
 - Alison will share ATC data when it is back from River Hill & Isington Rd.
4. **Next steps for SID and SID Data:**
 - Jo is recruiting additional SID volunteers to help Graham in Binsted/Station Road team.
 - Alan will meet Graham to organise data collection training for Binsted/Station Rd team.
 - Alison will suggest SID rotations for Oct to Dec, taking account of Blacknest Rd closure.
 - SID volunteers (Clive and Alan) will install SID in School Road (& trial messaging).
 - Frith End speed data (pre- & post- 30mph limit change) to be sent to Highways by mid Oct.
 - Alison needs speed & volume data across parish by end Oct, to create map for Nov event.
 - Pete has collected 2022-24 SID data files in the GoogleDrive set up by Ian.
 - Mike will set up a BPC shared drive to store data files to fulfil BPC data responsibilities.
5. **18 November Road Safety event**
 - Aims of event were discussed and agreed.
 - Mike & Alison will meet before end September, to agree organisational details
 - Alison will send 'Save The Date' invitations to key participants.
 - TWG vols willing to help on the day – Alison to arrange details.
 - All agreed event should be publicised in Binsted & Rowledge parish mags and in Herald.
 - All agreed to send Alison contact details of useful groups/individuals to be included.
6. **Rowledge school** - Laryssa Jesse (FORS parent representative) is now helping with transport issues alongside Harriet (school governor).
Binsted school - awaiting potholes' repair before zig-zags outside school entrance re-marked.
7. **Diversions:**
 - B3004 closure is causing significant additional traffic across the parish.
 - Blacknest Road resurfacing – Mike will put out a FB post as he has now been advised of further details of closure.
8. **Road surfaces and Lengthsmen's tasks**
 - Mike will try to advance next lengthsmen visit (scheduled end Nov), so that the Rowledge war memorial hedge can be cut ahead of Remembrance Day.
 - Nial and Dennis offered to drive Mike on parish tour to report potholes, identify other items needing attention in next lengthsmen's visit, and check salt bin details.
9. **Dates for next Meetings**
 - SID Data team will meet on 20 Oct, 7pm.
 - TWG 2027-28 budget/planned expenditure to be confirmed by correspondence by end Oct.
